

Parul University					
Academic Year: 2026-2027					
Name of Teacher: AMARJIT SEAL					
Subject: OE					
Subject Code: 303105301					
LESSON Plan No	LESSON Plan Title	LESSON Plan Description		LESSON Plan Date	
1	Introduction to AWS and Cloud Computing	Introduction to Cloud Computing		13-06-2026	
2	Introduction to AWS and Cloud Computing	Cloud Service Models		13-06-2026	
3	Introduction to AWS and Cloud Computing	Cloud Deployment Models		13-06-2026	
4	Introduction to AWS and Cloud Computing	AWS Overview and History		13-06-2026	
5	Introduction to AWS and Cloud Computing	AWS Services		13-06-2026	
6	Introduction to AWS and Cloud Computing	Hands-on and Q&A		13-06-2026	
7	Networking Services	Networking Basics + VPC Concepts		27-06-2026	
8	Networking Services	Subnets, Route Tables, Security Groups		27-06-2026	
9	Networking Services	VPC Security and DNS Services		27-06-2026	
10	Networking Services	Hands-on – Build a Custom		27-06-2026	
11	Networking Services	Launch a Web Server + Testing		27-06-2026	
12	Compute Services	IaaS & Virtual Machines in the Cloud		11-07-2026	
13	Compute Services	Elastic Load Balancing & Auto Scaling		11-07-2026	
14	Compute Services	Serverless Computing & AWS Lambda		11-07-2026	
15	Compute Services	Configuring Lambda with Triggers		11-07-2026	
16	Compute Services	AWS Elastic Beanstalk		11-07-2026	
17	Storage Services	Storage Types – Object, Block, and File Storage		25-07-2026	
18	Storage Services	AWS Storage Service – Amazon S3		25-07-2026	
19	Storage Services	Storage Classes in Amazon S3 + Static Website Hosting		25-07-2026	

20	Storage Services	Amazon EBS (Elastic Block Store)	25-07-2026
21	Storage Services	Amazon EFS (Elastic File System)	25-07-2026
22	AWS Architecture and Database Service	AWS Well-Architected Framework & Design Principles	08-08-2026
23	AWS Architecture and Database Service	Relational Databases and Amazon RDS	08-08-2026
24	AWS Architecture and Database Service	Amazon Aurora	08-08-2026
25	AWS Architecture and Database Service	Amazon DynamoDB – NoSQL Database	08-08-2026
26	AWS Architecture and Database Service	Amazon Redshift – Data Warehousing	08-08-2026
27	AWS Security , Monitoring, Scaling, and Billing	AWS Identity and Access Management (IAM)	12-09-2026
28	AWS Security , Monitoring, Scaling, and Billing	Monitoring and Observability – AWS CloudWatch	12-09-2026
29	AWS Security , Monitoring, Scaling, and Billing	Load Balancing and Auto Scaling	12-09-2026
30	AWS Security , Monitoring, Scaling, and Billing	Cloud Economics, Billing, and Cost Optimization	12-09-2026
31	Revision	Revision session	26-09-2026
32	Revision	Revision session	26-09-2026
33	Revision	Revision session	26-09-2026
34	Revision	Revision session	26-09-2026
